Dear Mr. Zumwalt:

Re: Response to Stipulation UMC 817.46-1-RS, Sedimentation Pond
Design, Utah Fuel Company, Skyline Mine, ACT/007/005, Carbon
County, Utah

The Division received your response to Stipulation UMC 817.46-1-RS on May 30, 1990. The response was reviewed by Rick Summers, of the Division's technical staff.

Due to your timely response, as well as, other mining changes that prohibit an accurate assessment of the mine water/sedimentation pond, it is Ricks recommendation that we extend the time frame to complete the stipulation.

The Division hereby grants an extension of time to complete the above mentioned stipulation to October 1, 1990.

Please call me or Rick Summers if you have any questions.

Sincerely,

Daron Haddock
Permit Supervisor
